RESPONSE TO ORDER

Herein is the additional information requested by the court. Paperwork from this court was mailed May 14, 2014, but was not received by the plaintiff until May 31, 2014. However, the paperwork was mailed June 2, 2014 to the US FEDERAL DISTRICT COURT still falling within the time frame of 14 day of the court order due to business days from May 14, 2014 end June 3, 2014. I beseech the judge to recognize the failure of the mail system and note that this document had been previously completed when initial paperwork in April had been filed.
